

energy, connection & courage at work.

Vidl Work is a training, coaching, and consulting firm that delivers powerful business results for a wide range of clients through **customized hands-on, heart-led human experiences**. We give you the proprietary tools and new skills you need to transform your work culture and remove the barriers to achieving your organization's highest objectives.

Our approach is different and broader in scope than what others offer. We help organizations **function at full capacity** by delivering not one, but **all three components** of a thriving workplace:

Individual Energy

The physical, emotional, mental, and spiritual energy essential for a balanced work and home life.

Team Connections

The human, personal connections that build team communication, trust, and productivity.

Courageous Leadership

The power to step into vulnerability while allowing and encouraging others to flourish.

Discovery Process

Vidl Work's intentional, comprehensive discovery process is an essential part of our clients' success stories. Because each business is unique, we take time to immerse ourselves in the details to learn about strong points, pain points, objectives, and priorities.

Customized Services

Our full array of services can be customized based on your organization's size, budget, and objectives. They include:

**Training | Team-building | Facilitated Conversations
Professional Coaching | Keynote Speaking | Consulting**
